

The briefing pinned in « La Défense » (day of the match) is the only official one.

Dear Shooters,

Welcome to our fourth IPSC match in « La Défense » in Brussels.

Please, pay attention: Any shot in the ceiling or in the walls (beside the backstops) means a DQ.

Stage 1

Stage one is a short course, comstock, 6 shoots. 1 IPSC Mini Targets, 3 penalty Mini Targets, 1 mini classic popper, 3 round plates.

Distance is 10 m.

Minimum rounds: 6 and maximum points: 30.

Start is an audible signal and stop is last shot.

Starting position is standing relaxed, gun loaded holster, in the designated box. A case held weak hand.

On the start signal engage all targets any order, strong hand only, from the box, holding the case with the weak hand.

Mini Classic popper activates a bobber.

Penalties occur according the current IPSC rule book.

Stage 2

Stage two is a medium course, comstock, 10 shoots. 3 IPSC Mini Targets, 4 penalty Mini targets, 1 mini classic popper, 3 round plates.

Distance is 10 m.

Minimum rounds: 10 and maximum points: 50.

Start is an audible signal and stop is last shot.

Starting position is standing relaxed, gun loaded holster, in box.

On the start signal engage all targets any order, free style.

Penalties occur according the current IPSC rule book.

Stage 3

Stage three is a long course, comstock, 22 shoots. 8 IPSC Mini Targets, 6 penalty Mini Targets, 1 mini classic popper, 5 round plates.

Distances vary from 1 to 18 m.

Minimum rounds: 24 and maximum points: 120.

Start is an audible signal and stop is last shot.

Starting position is standing relaxed, gun loaded holster, in box.

On the start signal engage all targets any order free style. T1 and T2 must be shot before climbing the stairs and all others targets must be shot from the top of the stairs.

Mini Classic popper activates a bobber.

Penalties occur according the current IPSC rule book.

Stage 4

Stage four is a medium course, comstock, 15 shoots. 4 IPSC Mini Targets, 4 penalty Mini Targets, 7 round plates.

Distances vary from 1 to 20 m.

Minimum rounds: 15 and maximum points: 75.

Start is an audible signal and stop is last shot.

Starting position is standing relaxed, gun loaded holster, in box.

On the start signal engage all targets free style- any order, as soon as visible only from the designated area and/or through the designated aperture.

Penalties occur according the current IPSC rule book.

Stage 5

Stage five is a medium course, comstock, 15 shoots. 6 IPSC Mini Targets, 3 round plates.

Distances vary from 2 to 15 m.

Minimum rounds: 15 and maximum points: 75.

Start is an audible signal and stop is last shot.

Starting position is standing relaxed, gun loaded holster. The weak wrist cuffed to the metal bar.

On the start signal engage all targets free style- any order, as soon as visible only from the designated area and/or through the designated aperture.

Penalties occur according the current IPSC rule book.

Stage 6

Stage six is a long course, comstock, 30 shoots. 12 IPSC Mini Targets, 6 mini classic poppers.

Distances vary from 2 to 20 m.

Minimum rounds: 30 and maximum points: 150.

Start is an audible signal and stop is last shot.

Starting position is standing relaxed, gun unloaded on a table, first magazine to be used on the opposite table.

On the start signal engage all targets free style- any order.

All targets must be shot from behind the fault lines.

Penalties occur according the current IPSC rule book.

Stage 7

Stage seven is a long course, comstock, 31 shoots. 14 IPSC Mini Targets, 5 penalty mini targets, 3 mini classic poppers, 1 runner, 1 falling target.

Distances vary from 2 to 15 m.

Minimum rounds: 31 and maximum points: 155.

Start is an audible signal and stop is last shot.

Starting position is standing relaxed in box, gun loaded holster.

On the start signal engage all targets free style- any order. For safety reasons, the poppers must be shot only from the designated area.

All targets must be shot from the trail. The falling target and the runner are activated by passing through the IR barrier.

Penalties occur according the current IPSC rule book.
